JADED ZEN ENTERTAINMENT® / EPK 2026 / CONFIDENTIAL

An independent, voice-first studio founded by Coletrane. Chandler, AZ.

THE VOICE

- Coletrane — multidisciplinary entertainer, broadcaster, voice talent and public speaker.
- 25+ years of public speaking and live communication; Associate degree in Psychology;
- Certified Master NLP Practitioner; ~20 years studying communication and human behavior.
- Heard in 58 countries and 13 languages, with hundreds of hours of live programming hosted.
- Trained professional wrestler and active Cauliflower Alley Club member — character craft runs deep.

THREE REVENUE PILLARS

- Voice Services — premium direct-booking work across animation, gaming, commercial and audiobooks.
- Podcast Network — TraneWreck'D returning with new seasons; history & unsolved-mystery programs
- with sponsorship inventory; original comedy IP built to grow into franchises.
- Merch & Community — Drop 001 capsule converting listenership into direct-to-fan revenue (2026).

TRACK RECORD & 2026-2027 SLATE

- Delivered / on air: The StarMaker Bolin Show (co-host, wrestling & entertainment, ongoing)
- TraneWreck'D (returning) · history & unsolved-mystery programs.
- In development: WAY OFF TRACK (mockumentary sitcom, debuting Thanksgiving Day 2026)
- new seasons of TraneWreck'D · original music releases · Drop 001 merch line. Slate: 2026-2027.

WHY NOW

- Audio is the fastest-growing attention market; original voice-led IP is its scarcest asset.
- Low overhead, high margin, fully independent — every asset owned end to end.
- Current raise funds production scale for the 2026 production slate and the Drop 001 merch launch.
